Discern

By age 10, pupils will begin to expand critical and creative skills in religious education by playing with possibilities and asking 'what if' questions about the subjects they have studied. They will express a point of view and discuss their point of view with others. They will have opportunities to form and share opinions about what it means to live a good life, developing an understanding of what this means in a Christian context. Pupils will have opportunities to explore artistic and creative expressions of events from the Bible and representations of beliefs in signs and symbols. Pupils will have opportunities to reflect and use their imaginations in responding to texts

Respond

By age 10, pupils will be invited to reflect on their learning, considering what it means to them. They will have opportunities to reflect on what makes them truly happy and why rules can be useful and share their thoughts with others. Pupils will be invited to talk about leadership and service and consider how they could improve the communities to which they belong. They will be invited to reflect on the meaning of conscience and consider what Christian discipleship means today.
